

5 legit ways to make money online – No investment (4 mins read)

Description

The Internet is filled up with numerous ways to make a ton of money online, here the question arises which online way to make money we should go for and make the maximum money with minimum possible effort. Don't worry we won't tell you the old & usual methods of earning money which is starting a YouTube channel or filling time-taking Swagbucks surveys. 5 ways that we are going to tell you are the legit ways to make significant money online in India or abroad.

Without further ado, let us see what are these ways? And, how they can fill your pocket to fulfill your needs and wants? All these methods can also make you earn money online from home as a student without investment .

1. Make Money through Guest Posting

If you are good at writing, then you can choose to earn money through Guest Posting. This is also one of the easiest way for earning money online at different trusted websites / sites across the world. Different site owners across the world accept the guest post and some pay you a handsome amount of INR 500 to INR 800 per guest post.

You may choose the websites for guest post writing as per your interest. Follow [our guest post guidelines](#) to know how different website owners expect you should write the guest post for them.

You may refer to [these high-authority blog websites](#) that pay you for guest posting.

2. Make money through answering questions and online teaching

Another one on the list of 5 legit ways to make money online is through answering questions and online teaching. Some websites ask you to have a basic education in at least 12th class and some expect at least a graduation degree in the teaching discipline. Some of these websites also allow students from both India or abroad to become tutor as well and earn money online.

You can help students with their English homework, clear their doubts about maths, teach them their curriculum engineering subjects, etc. on different online teaching platforms, and in return, you can expect a good monthly payment (avg. INR 15,000 to INR 20,000 per month).

You can also answer questions asked by students across the world on [these online question-answering websites](#) and can expect a pay of INR 100 to INR 150 per question answered correctly.

3. Make money through blogging

Blogging is long-term but the most effective and the best way to earn a handsome amount of money online in India or abroad. Many bloggers earnings have been in millions through their online blogging sites. You can do blogging as per your interest and can choose to write blogs on personal finance, cooking, traveling, science fiction, etc.

These days you don't need to learn difficult programming languages or pay a third party for blogging website creation and maintenance. You can do it on your own at WordPress which is a free open-source content management software where you don't require any coding or web development skills to create a website. You can check our detailed post on how to start blogging and start earning to fulfill your dreams.

4. Make money through freelancing

Freelancing in layman's terms is doing the assigned work for others within an agreed time in exchange for money. With the advancement of technology, nowadays, freelancing has become easier to do, it can be done in any part of the world online. Many people and companies are waiting for you to work for them for certain hours on certain assignments in exchange for money.

You can freelance in writing, data entry, web development, graphics designing, etc. as per your skills and expertise. Average pay depends upon the subject matter expertise, a web developer freelancer earns an average of INR 30,000 to INR 40,000 per month. Many find difficulty in finding legit freelancing websites to work but our [easy guide on freelancing](#) will help you get started with it instantly.

Do not confuse Freelancing with Entrepreneurship. There are a lot of [differences between freelancing and entrepreneurship](#)

, both have their own pros and cons.

5. Make money through selling a course and/or publishing an e-book

Another legit way to earn money online is to sell an educational/training course to people. Imagine selling a mere INR 199 course to 100 people can bag you INR 20,000 easily. You can upload your course on different tutoring websites such as [Udemy](#), [Skillshare](#), etc. where you get money according to course watch hours.

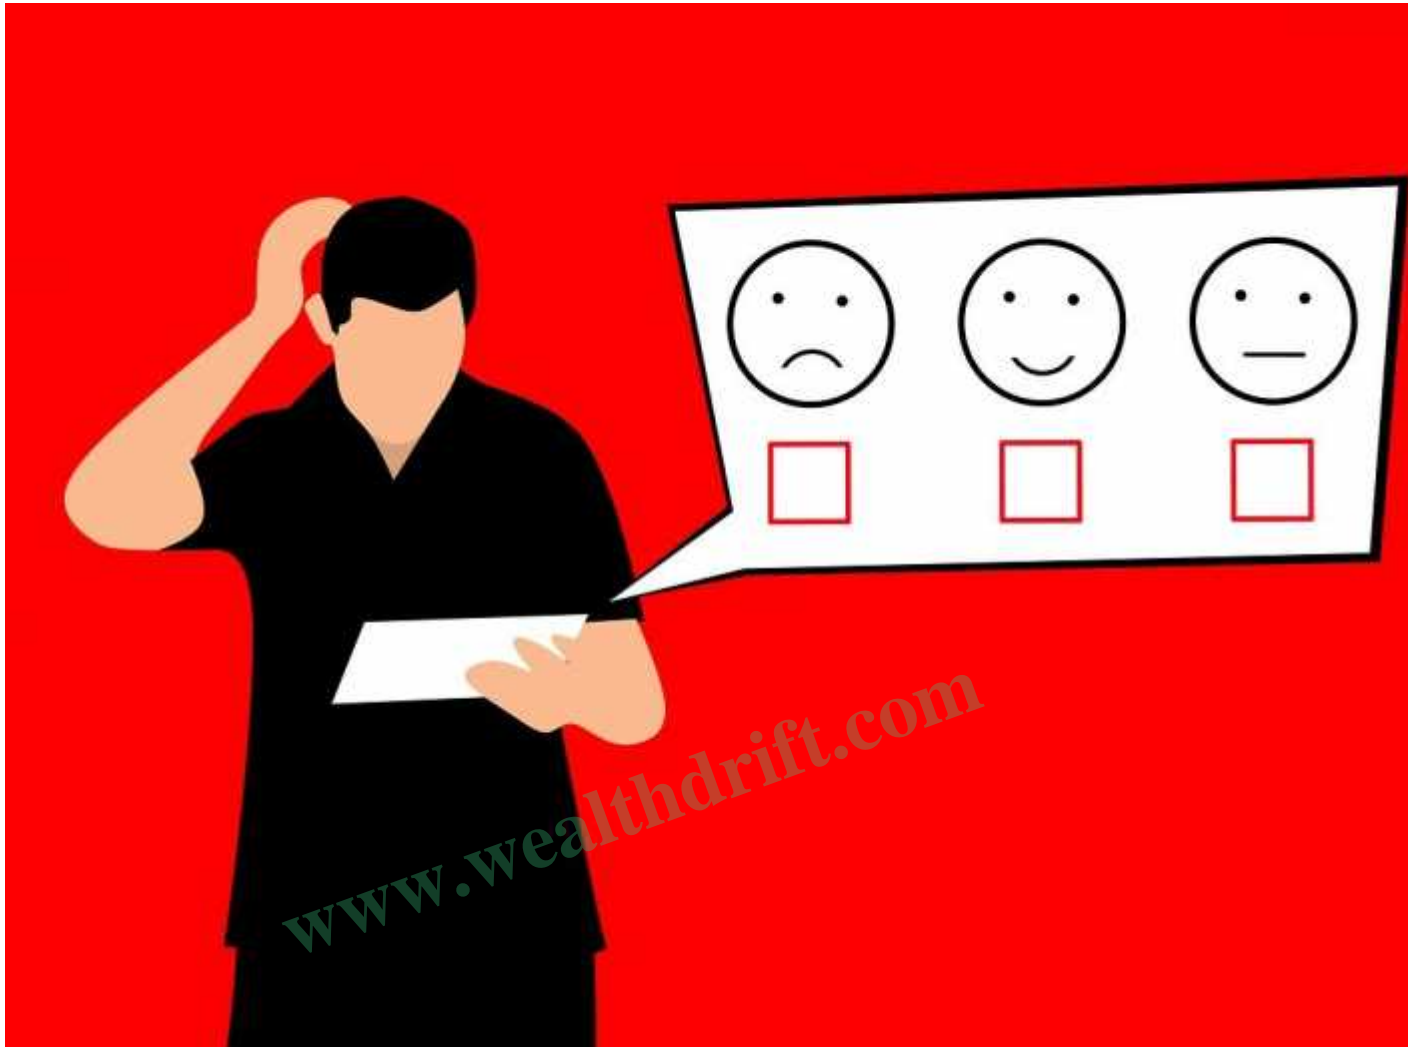

You can write an e-book, format it, and publish it on Amazon Kindle Direct Publishing like platforms. Do not forget to use the Keyword Tool for the best keywords to use in the e-book. Average pay varies from website to website, they usually reimburse you a certain percentage (average 60% to 70% of list price) of commission per e-book purchase.

You can also choose Facebook or Google ads for marketing your educational course and e-book. Or, you can focus on marketing tactics to attract customers, such as giving the first few copies of your book away for free, to generate confidence and future sales.

You can also choose to [write articles and earn money in India](#) at these platforms.

6. Make money by reviewing apps and websites

Sites like [UserTesting](#) pay you to review all kinds of websites and apps of entrepreneurs. On average, a feedback review takes around a 20-minute long video which can bag you \$10 (Approx. INR 750) per review.

This is one of the fast ways to earn legit money online where you will be given a set of questions that you simply need to answer as you browse through a site or an app. But you need to act fast because other reviewers are ready to take projects quickly when a new website or app review comes.

Starting with these ways can require efforts initially. But, once you get to hold on to it, these ways will become a boon to your financial world. Many people have changed their lives by earning part-time money through these ways. Some also went full-time to make these ways as their business to become their own bosses and living lives on their terms at home.

There are [other legit ways to make passive money online](#) that one can also go for if they don't find interest above. Our prime suggestion would be to stop thinking and start working with any way of your interest and enjoy a second income in your hand.
