

Quotes by Ratan Tata | Read for high motivation (3 mins read)

Description

Ratan Tata is a name that needs no introduction in the whole world. He is one person who is not only admired by the common person but also by the competitors. He has served as the chairman of the Tata Group for more than 20 years. Under his leadership, the Tata group has acquired some of the big companies like Tetley Tea, Jaguar and Land Rover, Corus group, and many more. During his career, some of the quotes by Mr. Ratan Tata have inspired the whole world to do better in every aspect of their lives.

Mr. Ratan Naval Tata who won the Padma Bhushan award in the year 2000 is also famous for his philanthropy works in the field of education like donations to multiple education institutes. We often look for guidance from people of such great stature having success stories like that of Ratan Tata. Since these people are not easily reachable hence we generally hear what they say. We look for [quotes by successful people](#) like Warren Buffett, Richard Branson, Ratan Tata, etc. for guidance. In this article, WealthDrift has brought to you the top 10 quotes by Mr. Ratan Tata that can help you come out of any situation in life.

1. QUOTE FOR MOTHER EARTH

To create an Indian environment with fresh air to breathe, clean water to drink, nutritious food with no one left hungry, and a way to care for everyone's health should be the priority for you and me on this environment day.

Ratan Tata in this quote has urged fellow Indians to keep our mother Earth clean and use sustainable consumption techniques so that every section of the society is able to fulfill their basic needs.

2. QUOTE ABOUT UPS AND DOWNS OF LIFE

A life without excitement, ups, and downs is too boring and dull. You need to be a storyteller to your grandchildren, why don't prepare for that from now?

This Ratan Tata quote inspires you to step out of your daily routine which is your comfort zone. It might result in things going up and down in your life but you will learn a lot from these situations. Hence, you will be able to guide your coming generations well.

3. QUOTE THAT GIVES GOLDEN RULE TO ACHIEVE TARGETS

If you want to walk fast, walk alone. But if you want to walk far, walk together.

This Ratan Tata quote is a famous one. In this quote, he has given the Golden rule to achieve targets. If you want to achieve your target fast, then work on it alone. But if your target is big and will take a long journey to achieve it then you better work in a team.

4. QUOTE THAT GIVES THE LIFE MANTRA

Don't be serious, enjoy life as it comes.

We urge everyone to follow this mantra given by Ratan Tata. We always dwell wither in the past or future and stay very serious in our lives. Instead, focus on what is in your hand right now at this moment.

5. QUOTE FOR MAKING BUSINESS SUCCESSFUL

Business need to go beyond the interest of their companies to the communities they serve.

If you want to establish a successful business then this Ratan Tata quote is the one you should live by. Your business should serve the community first and then the interest of the company. It should be aimed toward the betterment of society after then earning profits for you.

6. QUOTE ABOUT DEALING WITH PROBLEMS

Deal with a crisis in such a way that you can hold your head high and sleep well at night.

Whenever we face a crisis in our life, there are two kinds of ways out of that crisis. One is the ethical choice (the "right" choice) and the other is the unethical choice, which is the easier of the two. In such a situation, Ratan Tata advises you to follow the ethical way as it will give you satisfaction and you won't lose your sleep over it.

7. QUOTE ABOUT BEING FLEXIBLE AND INQUISITIVE

I have been constantly telling people to encourage people, to question the unquestioned

and not to be ashamed to bring up new ideas, new processes to get the things done.

Whenever any question arises in our mind then a few more thoughts arise along with it. We think it is a stupid question, what if everyone laughs when I ask it? What will they think about me? And these questions are the result of the treatment society gives when anyone tries to question the unquestioned or tries to change a process. But history is witness that all the big discoveries or revolutions were the result of the questions or the change in the process. Therefore this Ratan Tata quote tells you to encourage everyone who questions and become flexible with the changes that can have a positive impact on society.

8. QUOTE ABOUT TAKING OWNERSHIP

Your fault is only yours, the failure you get is also yours only, do not blame others for this. Correct your mistakes and move forward.

Take ownership of your life, your actions, and the results of the actions that you take. It is you who is responsible for what is going on in your life. Ratan Tata in this quote has told us to stop playing the blame game and take responsibility for our life.

9. QUOTE ABOUT BEING VIGILANT

People still believe what they read is necessarily the truth.

It is one of the best quotes by Ratan Tata. Nowadays there is a lot of information available on the internet. And everything you see on the internet is not necessarily true. There is a lot of misinformation that is being spread to fulfill the personal propaganda of individuals or other entities. Do your own research and dig for the truth. Question what you read. This is what this Ratan Tata quote was all about.

10. QUOTE ABOUT LIFE AND ITS CULTURE

Life is unfair and it's nowhere written to be fair. But it's not only you or me, it's for everyone. My talent differs from yours and yours from another person's, but we have equal chances to succeed in our respective fields.

We might think that life is unfair only to us. But, trust us when we say that every other human being also feels the same. Ratan Tata in this quote says that the chances of succeeding in your career are the same for everyone.

So folks these were the top 10 quotes by Mr. Ratan Tata. Save this article to read it quickly when you feel down, lost, uninspired, and lethargic. Feel free to share this article with your peers.
